# MAYOR HOLDS UP **BUILDING MEASURE** FOR CONSIDERATION

Now Wants Special Commission To Renew The Proposition.

When the ordinance committee of the common council meets tonight prior to the council meting, the favorable report on an ordinance forbidding the future erection of wooden houses more than two stories and a haif in height will be reconsidered. Mayor Wilson will send to the council a measage suggesting that in accordance with the rapid growth of the city and the unprecedented demand for houses and and rents, that the question be more fully considered before action is taken. The mayor will advise the appoint-
